RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

Sir:

Responsive to the Notice dated March 20, 2002, kindly enter the following:

R E M A R K S

In response to the Notice of Missing Requirements stating that the previous submission was missing the CD-ROM Sequence Listing, Applicant states that the contents of the CD case was checked before mailing to the USPTO and that receipt of the CD was acknowledged by the USPTO on January 31, 2002 as evidenced by the enclosed copy of the post card receipt.

As Applicant is fully aware of the problem wherein diskettes and CDs have been destroyed by the new mail security measures, a replacement computer readable Sequence Listing on CD-ROM is submitted herewith for entry into this application. This computer readable Sequence Listing is identical to the paper copy that accompanied our January 10, 2002 submission.

Accordingly, it is submitted that the present replacement submission puts this application into compliance with USPTO requirements.

Respectfully submitted,

THE FIRM OF HUESCHEN AND SAGE
